

VOTER'S GUIDE - 2019 FEDERAL ELECTION

List of all Pro-life/Pro-family Candidates ☀️

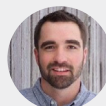

Note: If your riding isn't listed in this Voters Guide, it's because we weren't able to qualify any of the local candidates as being pro-life by the time of printing, from any party. However, please contact us again before the election at 1-800-730-5358, to double-check if we were able to subsequently qualify somebody as being Supportable. If you're a donor or supporter of Campaign Life Coalition, you can also create a private account to view the most-current voter guide online at www.voteprolife.ca. The online election content is not available to the general public – only to private donors and supporters of CLC who are on our database, due to a new censorship law imposed by Justin Trudeau in order to give the Liberals an advantage in the 2019 election.
