

VOTER'S GUIDE 2021 FEDERAL ELECTION

List of all Pro-life/Pro-family Candidates

Note: If your riding isn't listed in this Voter's Guide, it's because we were unable to qualify any of the local candidates as being pro-life by the time of printing, from any party. However, please contact us again before the election at 1.800.730.5358, to double check if we were able to subsequently qualify somebody as being Supportable. If you're a donor or supporter of Campaign Life Coalition, you can also create a private account to view the most-current voter guide online at www.voteprolife.ca. The online election content is not available to the general public – only to private donors and supporters of CLC who are on our database, due to a new censorship law imposed by Justin Trudeau in order to give the Liberals an advantage in the election.
